REGISTER ONLINE:

www.spencerhospital.org/events/linc-events/

Open to Healthcare Providers, Addiction Recovery Professionals, Community Organizations (anyone who serves or provides resources for individuals/families in the areas of brain health and/or substance use/addiction). If you actively look for and refer to resources for consumers, you have a seat at the table.

Providers are invited to this quarterly networking and collaboration event to learn about and discuss resources in Clay County. This **FREE** event will start with resource presentations and end with discussion and networking. **As you are listening, be thinking – how can we collaborate and work together to fill gaps or overcome barriers?** All ideas are welcome.

Call for Presenters - Do you provide resources in one or more of the topic areas above? Please email jill.barr@spencerhospital.org to be added to the presentation list for those specific meetings. There are many organizations that have expertise in multiple areas; you are able and encouraged to present in multiple meetings. **Not Presenting? Come to listen, learn, and discuss.**

This event is brought to you by Clay County Behavioral Health LINC and Clay County Public Health.

Clay County Behavioral Health LINC
Jill Barr - jill.barr@spencerhospital.org

Clay County Public Health
